About Jasol

Established over 75 years ago and backed by strong quality and environmental credentials, Jasol is a trusted market leader in the manufacture and supply of high quality cleaning and hygiene solutions that can cater for almost every need. Whether you're in food manufacturing facilities, supermarkets, industrial applications, kitchens, washrooms or laundries, Jasol has your cleaning and hygiene needs covered.

Our Products

Jasol is well-known for offering a comprehensive range of high quality cleaning and sanitising products that are the ideal solution for your hygiene needs. The Jasol product range is innovative but simple, meaning it is easy to understand and use, while producing the best results possible.

The Jasol Difference

In addition to being a trusted market leader with a wide range of products, Jasol is also passionate about providing its customers the most comprehensive offering available. Our nationwide sales and service team can provide you with superior advice on dispensing, hygiene audits, products and staff training programs. Jasol can save you time and money, and will give you complete peace of mind that your cleaning and hygiene needs are in trusted hands.
