- Gentle to skin
- Pleasant fragrance
- Hard water compatible
- Contains emollients
- Rich creamy foam
- Free rinsing properties

AREAS OF USE

- Public facilities
- Hospitals & nursing homes
- Restaurants & cafeterias
- Domestic use

DESCRIPTION

PALMS is a bathroom soap lotion for hands and face, ideal for use in office environments, factories, kitchens and washrooms. It is tough on dirt and grime, yet is mild on skin- no harsh alkalis or surfactants. This hand soap produces a rich, stable creamy lather yet rinses easily leaving a pleasant bouquet fragrance.

DIRECTIONS FOR USE

Dispense a small amount of PALMS onto hands, gently work up a rich lather and rinse off with water.

To prevent microbial contamination of the product, close containers immediately after use and do not add or insert any foreign materials or objects.

Consult your Jasol representative for further information.

SAFETY INFORMATION

PALMS is NOT classified as Hazardous according to the GHS.

PALMS is NOT classified as Dangerous Goods according to the ADG Code (7th Ed).

PALMS is NOT a Scheduled Poison according to the SUSMP.

FIRST AID INFORMATION

For advice in an emergency, contact **Poisons Information Centre Australia (phone 13 11 26)** or a **doctor at once**. If swallowed do NOT induce vomiting. Wash out mouth thoroughly with water. If in eyes, hold eyelids apart and flood with water for at least 15 minutes. Seek medical attention if irritation persists.
