- Safe on cotton & polyester materials
- Excellent protein removal capacity
- Contains TAED disinfectant
- Effective for heavily soiled garments

### AREAS OF USE

- Commercial laundry
- Industrial laundry
- Hospitals
- Nursing homes
- Hotels & motels

### DESCRIPTION

PEROXEN is a fully built bioenzymatic laundry detergent with oxygen bleach. It contains a blended combination of alkaline salts, water conditioners, surfactants and an enzyme system which help break down stains from blood, food, starch residues, syrups, juices and other soils. Stable to approximately 60°C and is safe for cottons, synthetics and blends.

TAED is specially added to the formulation of this product to generate peracetic acid in the wash water. This ingredient is a powerful disinfectant which is effective even at room temperature.

### DIRECTIONS FOR USE

**Pre-Soak Application:** Use at a concentration of 5-10g/L in warm water.

**Machine Washing:** Use at a concentration of 10g/kg of dry weight wash load, depending on the degree of soiling.

To prevent microbial contamination of the product, close containers immediately after use and do not add or insert any foreign materials or objects.

Consult your Jasol representative for further information.

### SAFETY INFORMATION

PEROXEN is classified as Hazardous according to the GHS.

PEROXEN is NOT classified as Dangerous Goods according to the ADG Code (7<sup>th</sup> Ed).

PEROXEN is NOT a Scheduled Poison according to the SUSMP.

Avoid contact with eyes and skin. Do not breathe dust. Refer to SDS for further information.

#### FIRST AID INFORMATION

For advice in an emergency, contact **Poisons Information Centre (Phone Australia 13 11 26)** or a **doctor at once**. If swallowed do NOT induce vomiting. Wash mouth thoroughly with water and seek medical attention. If in eyes, hold eyelids apart and flood with water for at least 15 minutes. Seek immediate medical attention. If on skin, remove contaminated clothing and wash affected area with running water. Seek medical attention if irritation persists.
