- Floors

DESCRIPTION

SCO DETERGENT is a dishwashing detergent with an improved formula of water conditioners and rinse enhancing agents ideal for a pot & pan sink application.

Most food residue is emulsified instantly and floats off utensils upon contact with SCO DETERGENT. After a brief soak, even sticky milk, egg, and carbonised grease can be whisked away with a brush or sponge. Suds rinse away easily. Everything from glasses to pots and pans drain and dry streak-free.

Safe to use on washing aluminium, pewter, copper, brass, and other sensitive metals. This is an ideal product to use in all food preparation areas, institutional kitchens and dairy processing plants.

DIRECTIONS FOR USE

SCO DETERGENT is suitable for many cleaning applications, from manual dishwashing to floor cleaning. Use at a rate of 1:200 to 1:400 depending on the degree of soiling.

Consult your Jasol representative for further information.

SAFETY INFORMATION

SCO DETERGENT is NOT classified as Hazardous according to the GHS.

SCO DETERGENT is NOT classified as Dangerous Goods according to the ADG Code (7th Ed).

SCO DETERGENT is NOT a Scheduled Poison according to the SUSMP.

FIRST AID INFORMATION

For advice in an emergency, contact **Poisons Information Centre (Phone Australia 13 11 26)** or a **doctor at once**. If swallowed do NOT induce vomiting. Wash out mouth thoroughly with water. If in eyes, hold eyelids apart and flood with water for at least 15 minutes. Seek medical attention if irritation persists.
