

SC2 SANITISER

No Rinse Sanitiser

FEATURES

- High performance sanitising & reodorising properties
- Free rinsing properties
- Safe on all surfaces
- Quaternary Ammonium Chloride (QAC) based
- Concentrated

AREAS OF USE

- Food handling areas
- Hospitals & nursing homes
- Education sector
- General work places
- Public facilities

DESCRIPTION

SC2 SANITISER is a high performance sanitiser containing Quaternary Ammonium Chloride (QAC) compound. It has been designed to be applied on food processing equipment without the need to rinse, and can be used safely on all metal food processing equipment and fittings, as well as floors, walls and benches. SC2 SANITISER effectively removes and kills moulds in cold rooms and refrigerators. Its biocidal properties ensure outstanding reodorising effect.

DIRECTIONS FOR USE

The SC range of hygiene products are exclusively used in conjunction with the Jasol Super C Dispensing System. For more information regarding this unique system, please contact your Jasol technical representative. A 2L bottle yields 150 ready-to-use 750mL spray bottles.

Remove soiling from the surface, spray SC2 SANITISER and leave for 5 minutes. Do not rinse. Allow to air dry. Do not mix with detergents or other chemicals.

SAFETY INFORMATION

SC2 SANITISER is classified as Hazardous according to the GHS.

SC2 SANITISER is NOT classified as Dangerous Goods according to the ADG Code (7th Ed).

SC2 SANITISER is NOT a Scheduled Poison according to the SUSMP.

Avoid contact with eyes and skin. Refer to SDS for further information.

FIRST AID INFORMATION

For advice in an emergency, contact **Poisons Information Centre (Phone Australia 13 11 26)** or a **doctor at once**. If swallowed do NOT induce vomiting. Wash mouth thoroughly with water and seek medical attention. If in eyes, hold eyelids apart and flood with water for at least 15 minutes. If on skin, remove contaminated clothing and wash affected area with running water. Seek medical attention if irritation persists.
